

Testing For COVID-19

If you need testing for COVID-19 to travel to Japan, and you are a new patient at Nihon Clinic, please read the following:

- 1) Call us first to make an appointment. Testing is available only afternoon on Monday, Wednesday, Thursday and Friday. You must be tested within 72 hours prior to your flight departure to Japan.
- 2) Download “Patient Registration Form” and “Patient Health History” and fill them out.
- 3) Email us at chicago@nihonclinic.com as an attachment. We will respond to confirm your appointment
- 4) On the day of your testing, please arrive 10-15 minutes before your appointment time and call us from the parking.
- 5) You need to bring:
 - your I.D. (driver’s license or passport)
 - Copy of Certificate of Testing for COVID-19: you can download from <https://www.mofa.go.jp/mofaj/files/100177968.pdf>
- 6) The testing method for Covid-19 we provide at Nihon Clinic is Nucleic acid amplification test (NEAR) and the price of test is \$320.
- 7) You will get the testing result within 2 hours.

If you have any questions, please call us at (847) 952-8910.
